Process: Doug takes photographs in the studio in a short session where alternate outfits and poses can be tried. Doug will then do a photographic composite of the composition for approval. After 1 - 3 months of studio painting time - depending on complexity - subjects may choose to sit for the artist (sitting is optional) so that he can add the final touches to the painting.

**Please ask for an estimate on added complex backgrounds or still-life objects.*

Child's Profile From Life

Half size profile in a custom frame - short sittings. The child looks out the window for short sittings of 10-15 minutes - as many as they are comfortable doing. The child watches the painting in progress. Doug finishes off the profile from photographs. Framed.....\$750 (double \$1,200/triple \$1,600).

Single Session "Alla Prima" Oil Sketch

Informal portrait painted directly in a single 1 - 1/2 hour session (with breaks). Format is open and can range from half-size head to whole figure, from miniature to large canvas. Whatever is requested of the artist in one or two sessions. Framed.....\$900 (doubles session framed.....\$1500).

Portraits From Photographs

Portraits painted from your favorite photographs - your children, spouse, pets, home - are done at the landscape prices by size (see other side).
